It's A Wonderful Life Radio Show

Its' A Wonderful Life, a favorite classic, which is viewed at least once a year at Christmas time, comes to the Bay City Players stage as a Radio Show. The same wonderful story of George Bailey, his angel friend Clarence, and what George's life has really meant to the people of Bedford Falls will once again come to life in a Radio Show version. The audience will become the radio audience, as they watch actors change voices and characters at a moment's notice and experiencing sound as they have never heard it before with the tricks of radio sound effects. A perfect Christmas treat experience.
