Re: Step Forward presentation

Request:

Permission to give a brief presentation to the Board about StepForwardMichigan helping Michigan's Hardest Hit Homeowners. Joining me will be Cristy Smith from Michigan State Housing Development Authority and Jessica Rivard from Bay Area Housing.

Background:

The U. S. Department of the Treasury established the Hardest Hit Fund loan program in 2010 to provide targeted aid to families in states hit hard by the economic and housing market downturn. Originally assisting mortgage foreclosures, the program was modified to provide assistance to families facing foreclosure due to delinquent property taxes.

In Bay County, 90 taxpayers have received \$335,000.00 in assistance to pay delinquent taxes. There is still \$50 million available to Michigan taxpayers for assistance in paying delinquent taxes. We continue to promote this program to local taxpayers to help reduce the amount of tax foreclosures in Bay County.

Re: Appointment to Bay County Land Bank Authority

Request:

Approval of Richard Finn, City of Bay City Manager, to fill the remainder of Terry Watson's term expiring in October 2017 as a representative from local units of government on the Bay County Land Bank Authority.

Approval of Richard Byrne, City of Pinconning Manager, to fill the remainder of William Tacey's term expiring in October 2016 as a representative from local units of government on the Bay County Land Bank Authority

Background:

The intergovernmental agreement between the Michigan Land Bank Fast Track Authority and Bay County requires two of the Authority's members to be representatives of local units of government selected by a majority of the County Board. Mr. Watson has resigned his position as Bangor Township Supervisor and is no longer eligible to serve in his position on the Land Bank board. Unfortunately, Mr. Tacey has recently passed away.

Recommendation:

I respectfully request the Board's appointment of Richard Finn and Richard Byrne to the Bay County Land Bank Authority.

BAY COUNTY BOARD OF COMMISSIONERS

RESOLUTION

- BY: WAYS AND MEANS COMMITTEE (7/7/15)
- WHEREAS, The Bay County Board of Commissioners adopted Resolution 2014-113 on June 17, 2014 approving the County's current Civil Counsel Guidelines; and
- WHEREAS, Those guidelines provide that only Corporation Counsel may enter into contracts for outside legal services, and sets forth a procedure for elected officials to request retention of such outside counsel; and
- WHEREAS, The Bay County Clerk has, in conformance with those Guidelines, submitted a written request to retain outside counsel for potential litigation on behalf of the Clerk which may assert that the Bay County Board of Commissioners has failed to provide a serviceable level of funding to allow the Clerk's office to fulfill statutorily mandated functions; and
- WHEREAS Corporation Counsel has an obligation to review the request and make a determination if such a request is necessary and appropriate and, in cases where a conflict of interest between County entities has arisen, may obtain the legal opinion of an independent attorney to determine if any potential cause of action is frivolous or has merit; and
- WHEREAS, An independent analysis/evaluation by Resilient-C was commissioned by the Board of Commissioners in 2009 to analyze the operations in the Clerk's Office which determined that there was sufficient staffing in the office to provide the statutorily mandated services; and
- WHEREAS, There have been significant changes in the Clerk's Office since that time, including loss of a full time employee, changes in statutorily mandated responsibilities, and utilization of on-line services and availability of credit card payments through that on-line service; and
- WHEREAS, An up-to-date independent analysis of the work flow in the Clerk's Office would greatly assist Corporation Counsel in evaluating the Clerk's request to obtain outside counsel; and
- WHEREAS, The financial impact on the County would be the cost of the study itself. The prior resolution passed in 2009 approved a budget adjustment of up to \$4,000 for the work processes study. An increase in the amount not to exceed \$6,000 would seem appropriate for services at this date; and
- WHEREAS, The results of the survey may either cost the County additional funds for the retention of additional staffing in the Clerk's office, or may save costs for the retention of outside counsel if it is determined that the Clerk's office is sufficiently staffed. It is impossible to predict that economic impact at this time; Therefore, Be It

- WHEREAS, No General Funds are requested. Match will be met through in-kind services and contributions only. For example, last year, the first round of applications, Consumers Energy committed \$40,000 of their own Phragmites control efforts as match towards this broad stakeholder grant proposal. They have verbally committed to do so again this year. A meaningful proposal for the state Invasive grant will include various regional stakeholders, DNR Refuge Managers, Landowners in Pinconning, Fraser, Kawkawlin & Hampton Township, Consumers Energy, and Tuscola Co. and costs will be developed as we identify the extent of the areas needing treatment, in conjunction with and not to exceed available in-kind match; Therefore, Be It
- RESOLVED By the Bay County Board of Commissioners that authorization is granted to make application for State Invasive Species grant funding and the Chairman of the Board authorized to sign grant application documents on behalf of Bay County following legal review/approval; Be It Further
- RESOLVED That the Bay County Board of Commissioners approves the CISMA Memorandum of Understanding and authorizes the Chairman of the Board to execute the MOU and related documents on behalf of Bay County; Be It Further
- RESOLVED That the grant applicant/recipient departments are required to work with the Finance Department whose staff will provide financial oversight of said grant; Be It Further
- RESOLVED That it is clearly understood that if these grant funds are terminated, any position(s) funded by this grant shall be terminated and will be not absorbed by the County.

RESOLUTION

BY: WAYS AND MEANS COMMITTEE (7/7/15)

WHEREAS, The Cooperative Invasive Species Management Area (CISMA) for the Saginaw Bay states: "Public, private and tribal landowners across the Saginaw Bay watershed are concerned with invasive species, which are expanding and invading our landscape. .. These infestations reduce the biological, agricultural, recreational, and economic value of the land and water resources, decrease native plant populations, and degrade ecosystems." The CISMA MOU seeks to show a collaborative approach towards combating invasive species by local stakeholders. These CISMA's have been formed regionally and the MOU's are being signed throughout the state by local units, non-governmental organizations, private landowners, Tribes, etc.; and

WHEREAS, The MOU does not commit any specific resource or monetary contribution, but instead describes that where possible, when possible, to the extent possible, a signatory will coordinate and cooperate and share resources as necessary to prevent and control invasive plants and animals on public, private, and tribal lands across ownership boundaries within the Saginaw Bay CISMA. This may mean having regular field staff (such as Gypsy Moth or Mosquito Control) informed of what invasives look like so that they can report any new sightings, being informed on who to report this too, it may entail partnering on grant proposals for treatments, or supporting other agencies work in our area. Much of this is simply good coordination, "working together" and communicating, and sharing what scarce resources are available, and if none, then simply supporting each other's efforts to the best of our abilities. This is simply the most effective way to combat invasives with very limited resources; and

WHEREAS, This MOU was directed to Corporate Counsel before it is now being presented to the Board, and it is currently under legal review; and

WHEREAS, Saginaw Bay CISMA grant proposal participants will need to know Bay County intends to be a signatory to the MOU prior to committing to an arduous grant writing effort. The state Invasive Species grant funds are directed to the regional CISMA's and grant proposals from organizations not participating are unlikely to be funded, as we discovered last year. The Pre-proposals are due July 31, 2015, so if we are to prepare a grant proposal, the MOU must be at least authorized by the Board of Commissioners in order to show commitment, pending legal review and the grant proposal development can be started immediately; and

WHEREAS, The Director of Environmental Affairs and Community Development requests:

- 1.) The Board Chair to be authorized to sign the Saginaw Bay CISMA MOU, pending Corporate Counsel approval; and
- 2.) The Director of EA&CD Authorized to apply for the 2nd Annual State Invasive Species grant to DNR/DEQ which are due in pre-proposal stage on July 31, 2015.

The state has recently modified the criteria this year (especially for us in the Saginaw Bay) in order to allow for the Hampton Township and Quanicasse (Tuscola) area to be included. It is critical that we sign on to be a partner and signatory to the regional Cooperative Invasive Species Management Area (CISMA) MOA in order to be considered for funding; and

- WHEREAS, No General Funds are requested. Match will be met through in-kind services and contributions only. For example, last year, the first round of applications, Consumers Energy committed \$40,000 of their own Phragmites control efforts as match towards this broad stakeholder grant proposal. They have verbally committed to do so again this year. A meaningful proposal for the state Invasive grant will include various regional stakeholders, DNR Refuge Managers, Landowners in Pinconning, Fraser, Kawkawlin & Hampton Township, Consumers Energy, and Tuscola Co. and costs will be developed as we identify the extent of the areas needing treatment, in conjunction with and not to exceed available in-kind match; Therefore, Be It
- RESOLVED By the Bay County Board of Commissioners that authorization is granted to make application for State Invasive Species grant funding and the Chairman of the Board authorized to sign grant application documents on behalf of Bay County following legal review/approval; Be It Further
- RESOLVED That the Bay County Board of Commissioners approves the CISMA Memorandum of Understanding and authorizes the Chairman of the Board to execute the MOU and related documents on behalf of Bay County; Be It Further
- RESOLVED That the grant applicant/recipient departments are required to work with the Finance Department whose staff will provide financial oversight of said grant; Be It Further

IN OCTOBER 2014, MICHIGAN BECAME THE 26TH STATE TO PASS LAWS EXPANDING NALOXONE/NARCAN USAGE TO EMERGENCY RESPONDERS AND IN SIMILAR COMMUNITIES THAT HAVE ADOPTED THIS STRATEGY, THE NUMBER OF DEATHS FROM HEROIN OR OPIATE OVERDOSES HAS SIGNIFICANTLY DIMINISHED. COMM. BEGICK CONCURRED THAT PEOPLE ARE TURNING TO HEROIN AND OVERDOSING AND IT IS A PROBLEM IN OUR COMMUNITY.

COMM. COONAN FELT THE PROBLEM WAS DUE TO A LACK OF MIDDLE CLASS. PEOPLE DO NOT HAVE THE SAME OPPORTUNITIES AS IN THE PAST.

COMM. TILLEY SAID TALKING ABOUT THIS IS THE FIRST STEP. HE SAID EDUCATION IS THE KEY AND THAT PEOPLE NEED MORE INFORMATION ON THE CONSEQUENCES OF HEROIN ABUSE.

J. STRASZ:

JOEL STRASZ, BAY COUNTY HEALTH DEPARTMENT DIRECTOR, SAID THE HEALTH DEPARTMENT WILL BE ISSUING A PUBLIC HEALTH ADVISORY SOON REGARDING THIS ISSUE. HE SAID PEOPLE ON PAIN KILLERS HAVE FOUND IT HARDER NOW TO OBTAIN THESE DRUGS AND ARE FINDING HEROIN A CHEAPER ALTERNATIVE. HE STATED IT IS EXTREMELY DIFFICULT TO GET OFF HEROIN AND THAT THERE HAS BEEN OVER 130 DRUG OVERDOSES THIS YEAR. HE SAID SINCE 2014, THE NUMBER OF PEOPLE DYING FROM DRUG OVERDOSES HAS EXCEEDED THE NUMBER OF CAR ACCIDENTS. MR. STRASZ SAID EDUCATION IS THE KEY. ANYONE WHO NEEDS HELP SHOULD FIRST CALL THEIR FAMILY PHYSICIAN OR CALL MID-STATE HEALTH NETWORK WHICH TAKES CALLS 24 HOURS A DAY/7 DAYS A WEEK. HE SAID ALL FIRST RESPONDERS WHICH INCLUDES POLICE OFFICERS, WILL HAVE TO BE EDUCATED WITH NALOXONE/NARCAN, AN ANTIDOTE THAT IMMEDIATELY REVERSES THE EFFECTS OF OPIOID OVERDOSES, WHICH WILL BE MADE AVAILABLE TO FIRST RESPONDERS.

IN APRIL 2014, THE MSHDA REQUIRED A CHANGE IN HOW THE COUNTY'S GRANT BUDGET IS APPROPRIATED IN THE OPAL GRANT MANAGEMENT PROGRAM. THE MSHDA HAS ASKED THE COUNTY TO MOVE FUNDS TO THE EMERGENCY ALLOCATION FUND, CORRECTING AN ERROR OCCURRING WHEN ATTEMPTING TO REQUEST PAYMENT REIMBURSEMENT. THE EAST MICHIGAN COUNCIL OF GOVERNMENTS WILL BE THE APPLICANT FOR THE MSHDA FUNDS (50/50 MATCH) AND EACH OF THE EIGHT COUNTIES HAS BEEN ASKED TO CONTRIBUTE \$5,000.00. THE BAY COUNTY HOUSING REHABILITATION WISHES THE BOARD TO CONSIDER ALLOWING FUNDS ABOVE THE \$5,000.00 BUT NOT TO EXCEED THE TOTAL AMOUNT OF THE PROGRAM INCOME BUDGET TO BE PUT TOWARDS THIS PROJECT FOR A MORE IN-DEPTH STUDY FOR BAY COUNTY SHOULD THIS BE NECESSARY. THE MATCHING FUNDS WILL BE ISSUED FROM THE HOUSING REHABILITATION'S PROGRAM INCOME ACCOUNT AND NO GENERAL FUND DOLLARS ARE

REQUIRED. FURTHER, TO AUTHORIZE THE BOARD CHAIR TO EXECUTE ALL RELATED DOCUMENTS FOLLOWING LEGAL REVIEW AND THAT BUDGET ADJUSTMENTS RELATED TO THE REGIONAL HOUSING STUDY, IF REQUIRED, ARE APPROVED. IT WAS SUPPORTED BY COMM. BEGICK AND PASSED BY A VOICE VOTE OF: 7 YEAS, 0 NAYS.
