

Acceptable Items:

We will accept most ALL electronics (including TV's, monitors & consumer electronics); anything with a plug. We even accept white goods/large kitchen appliances - however there is a fee for Freon based appliances (freezers, fridges, de-humidifiers) of \$25, all other items are free.

The only electronic items we do not accept are smoke detectors, alkaline batteries, hazardous waste (like broken glass), and equipment with PCBs (capacitors). We do not accept these items: liquids, light bulbs, florescent tubes or mercury containing devices.

Ac adapters	DVD players	Pagers	Telecommunication equipment
