

Bay County Division on Aging

Senior Intro To Computer Classes

Monthly in 2011

Computer Friendly Class: A user friendly approach to beginner computer awareness. Course will offer a simple non-threatening way to learn about computer basics. Special attention will be on operating your computer, using a mouse, computer terms and working with a processing system. Bring pen and paper for note taking. Instructor Sandi Maxfield

Location for Class: Riverside Center, 800 J. F. Kennedy Drive, Bay City.
For more information: Call Debbie at 893-7070

Date: Monday & Wednesday \$28.00
10:00 a.m. - 12:00 noon Morning Session
3 week session
