

# How Can I Get More Involved?

Healthy People  
Healthy Bay

Participate in one of the following workgroups:

**Access to Care-** This workgroup focuses on assisting residents in establishing a medical home, obtaining health insurance and establishing a system of common intake and referral.

**Behavioral Health-** The focus of this workgroup is on creating a work plan dedicated to improving mental health among adults and youth, and increasing resiliency in youth.

**Children's Health-** The focus of this workgroup is on creating a work plan dedicated to reducing obesity, chronic disease and abuse and neglect in children.

**Chronic Disease-** This workgroup's focus is on preventing and managing chronic disease in older adults.

**If you are interested in participating in one of the workgroups please place an "X" in the box next to your workgroup of choice and provide your contact information.**
