

▶ **FREE Skin Cancer Screening** **Open to the Public**

Before you jump into your summer activities, find out if you're at risk for skin cancer. Whether you're at the beach or in the garden, on the golf course, or the tennis court, unprotected skin can be severely damaged by the sun. Whether you're 25 or 75, early detection is your best defense -- and it's the best gift you can give to your family -- and yourself.

Get checked out at McLaren Bay Region's **free** skin cancer screening. Make sure you're safe and thoroughly protected. It could help save your life. It's what you need to know. Register today!
