

McLaren Bay Region Rehabilitative Services Presents

Concussion Management

Tuesday, October 1, 2013

6:30 - 8:00 p.m.

Lincoln Center

820 S. Lincoln Street, Bay City

No cost to attend

Learn about sports associated concussions including signs and symptoms of a concussion, short and long term effects, and safe return to play. We will also highlight our new Concussion Management program which includes pre and post concussion testing for a safe return to sports. Parents of student athletes, coaches, and all others are welcome to attend.

RSVP requested by calling toll-free 1-877-411-2762 anytime.

*Speakers: Venkata Etha, MD, Physiatry
