Michigan

Free Hands-on Tree Workshop and Bay City Tree Team Work Day

HANDS-ON PRUNING WORKSHOP for HOMEOWNERS
And Opportunity to Join the Bay City Tree Team!

WHAT:

Always wondered how and when to properly prune the trees in your yard? All are invited to a free tree education workshop led by **ReLeaf Michigan, a statewide, non-profit tree organization and in collaboration with Bay City Electric, Light and Power** that addresses the correct way to prune trees for their long-term health and vitality. Join us to learn the basics of pruning, proper timing for pruning, and how to make a proper cut. Safety will be stressed as well as debunking pruning myths. All work will be done from the ground.

The workshop will start with a short presentation outside followed by an opportunity to make pruning cuts under the direction of professional arborists. Afterwards, the class will have the opportunity to put their knowledge to work and join members of the newly formed Bay City Tree Team to help improve Bay City's community forest by pruning trees along Fraser Street. **If you have hand pruners, please bring them and wear closed toe shoes.**

WHERE:

The intersection of Fraser St. and 22nd St, Bay City, Michigan. **Please find parking on the street.**

WHEN:

Saturday, November 9, 2013 from 9 a.m. – 1:00 p.m.

SPONSORS:

ReLeaf Michigan (www.ReLeafMichigan.org), DNR – Urban and Community Forestry Program, and Bay City Electric Light and Power.

COST:

No cost to attend. Refreshments provided.

RSVP:

Email info@ReLeafMichigan.org or call 1-800-642-7353 with questions or to rsvp.
