

Bay County Division on Aging  
in cooperation with

AARP (American Association of Retired Persons)

# Drivers Safety Program

Eight hours, two days, of classroom instruction that refine existing skills and develop safe, defensive driving techniques. AARP promotes and believes strongly in the individual and community benefits that come from this course. Some auto insurance companies offer discounts after completion of this course. Contact your auto insurance agency for more information on this benefit. Course size is limited. Instructor: John Seemann
