LITTLE SHOP OF HORRORS

A nerdish, florist finds his chance for success and romance with the help of a giant man-eating plant who demands to be fed. The music, composed by Menken in the style of early 1960's rock and roll, doo-wop, and early Motown, includes several well-known tunes, including the title song, "Skid Row (Downtown)", "Somewhere That's Green", and "Suddenly, Seymour". This musical is funny and a lot of fun. Let's get out start Spring and celebrate our youth.
