

Happy 20th Anniversary Riverside Dining Center

It has been 20 years since a determined group of seniors decided to organize their efforts towards a new gathering space for the Senior Citizens in Bay County. After much work and dedication the Riverside Dining Center was born. Join us in our salute to those who made the vision happen and in appreciation for all those participants who support and enjoy this welcoming environment.

A special day of gratitude is being planned for all to attend and enjoy. Special guest entertainment will feature: Harbor Sounds Barbershop Chorus. There will be a festive atmosphere with a social hour, lunch, anniversary cake and smear group concluding the day.
