British retirees travel to India to take up residence in what they believe is a newly restored hotel. Less luxurious than advertised, the Marigold Hotel nevertheless slowly begins to charm in unexpected ways. Seven elderly Britons, for a variety of reasons, respond to an online ad and travel to Jaipur, India. India affects each in different ways, enchanting them and helping them to find their journey. A real charmer of a movie.

As the Best Exotic Marigold Hotel has only a single remaining vacancy—posing a rooming predicament for two fresh arrivals. Sonny pursues his expansionist dream of opening a second hotel. This movie picks up from the first and we get to discover what our British retirees are up to since we last saw them.
