

# Prescription Drug Update

Location: Riverside Center

800 J. F. Kennedy Drive, Bay City, 48706

**Be Aware** prescription drugs can be very addictive, which in turn can become a commodity that is in demand. This can lead to theft, even amongst family members. Stealing and taking prescriptions that are not prescribed to the intended patient is becoming a serious problem in our community. Learn how to take safe measures in protecting your prescriptions against predators along with proper disposal of unused prescriptions. Bring your unused or old drugs to this event and we will dispose of them.

Presented by Neighborhood Resource Center

## Monday, September 10, 2012
