

Holiday Angel Project Contributors ~

To all those wonderful Angels who contributed to our first Holiday Angel Project, a huge thanks.

Together we were able to fill 60 bags of goodies and delivered them to Bay County Seniors.

The residents in Bay County came together to help others in need. The seniors receiving their surprises were overjoyed and so happy.

We at the Bay County Division on Aging could not be more grateful for the response and generosity in this effort.

Thanks for being part of the success.
