# Energy Expo

**FOR IMMEDIATE RELEASE: April 9, 2010**

**POWERED UP FOR ITS SECOND ANNUAL ENERGY EXPO**, Bay City Electric Light & Power is joining forces with local vendors on April 29<sup>th</sup> to bring to *light*, tips on energy efficiency for homes and businesses, including information on their Energy Smart Programs.

This year's event will once again have residential and commercial product information & demonstrations on energy efficient weatherization, lighting, heating & cooling, "tree power", and green homes. Other vendors will display and provide information on Renewable Energy from sources such as landfill gas, solar, wind, and geothermal. "Smart Grid" Advanced Metering will also be exhibited, as well as an advanced hybrid bucket truck.

While you're there, find out about the energy efficiency rebates & tax incentive plans that Bay City Electric Light & Power offers under their Energy Smart Program. Plus, take part in raffles to win a *Free Home Energy Audit, Great Lakes Loons Tickets, Electric Bill Credits & More!*

The city-owned utility will sponsor the event again at its main service building located at 900 S. Water Street in Bay City from 2:00 P.M. to 7:00 P.M., Admission and refreshments are free, and the community is encouraged to attend because... *everyone has the POWER TO SAVE!*
