RESOLUTION

BY: WAYS AND MEANS COMMITTEE (1/8/13)
 WHEREAS, In 2011, the Gypsy Moth Suppression Program began treating 2,566 ash trees to protect them from the Emerald Ash Borer (EAB), an invasive, non-native pest which was first confirmed as present in Bay County in August 2007; and
 WHEREAS, There are 2576 ash trees that meet the criterion for inclusion in the EAB Treatment Project and they are in fair to good condition and were either treated in 2011 or have never been treated and would benefit from treatment to control EAB larvae; and
 WHEREAS, These trees are on publicly owned lands and their protection under this program would further reduce the environmental impacts of EAB and mitigate the potential economic and safety risks associated with EAB damage; and
 WHEREAS, Trees treated in 2012 should not be treated again until 2014;
 WHEREAS, The Ash Tree inventory on public lands in Bay County has been updated to determine the efficacy of the 2011 & 2012 EAB Treatment Projects and to locate and evaluate the condition and health of ash trees on each publicly held property in the County; and
 WHEREAS, This inventory resulted in the determination that 2576 of the 3700 plus ash trees located in developed areas of publicly owned lands throughout Bay County would benefit from treatment to control EAB in the spring of 2013; and
 WHEREAS, A competitive bid process will be used in February 2013 to select Qualified Bidders for treatment. Treatment must be conducted between May 1, 2013 the June 15, 2013 and treatment will be done using the Arborjet treatment system with the product TREE-age since this is the treatment recommended by the State as the only product with proven multiple years efficacy; and
 WHEREAS, No general fund dollars will be used for this treatment project; Therefore, Be It
 RESOLVED That the Bay County Board of Commissioners authorizes the Gypsy Moth Suppression Program to seek competitive bids for treatment to ash trees to control Emerald Ash Borer; Be It Further
 RESOLVED That the Chairman of the Board is authorized to execute contract(s) with qualified application firms following legal review/approval; Be It Finally
