

A message from Bay County Health Department

Derrick, this message is being sent to you regarding your Covid-19 exposure. Please complete the following brief confidential health form. Isolate yourself from others for at least 5 days. Only end isolation if your symptoms are resolved or resolving.

Consider COVID-19 follow up testing if your symptoms have resolved. Wear a well-fitting mask around others for another 5 days. If you live or work in a congregate setting (jail, long term care, etc) you need to isolate yourself away from others for a full 10 days. If you have questions, please call 989-895-4009 extension 6151. Sincerely, BCHD COVID Response Team, Bay County Health Department.
