

The Bay County Board of Canvassers met January 4, 1971 for the purpose of a recount in Hampton Township for the offices of Hampton Township Supervisor and Hampton Township Treasurer, with candidates being Alex Walraven and Robert Lewandowski, for supervisor and Robert Shea, Jr. and Bernard Tacey for Treasurer.

The two machines at the Bay Hampton School District were not countable, machine number 95217 had the wrong seal on along with machine 95206 also on 95206 the seal was not locked. However the back of the machines were opened and checked with no difference in votes showing.

Other remarks made by the board was that the Chairman, Agnes Callahan, did not sign the certificate that was in the A.V. Ballot Box.

Mr. James S. Wood, Attorney made the comment that according to the law the A.V. Ballots would not have to be checked, being there was a absentee counting board. It was up to the Board of Canvassers to decide whether or not to proceed with the ballots. The board decided to count the ballots. Ballots were checked very sloley and four ballot were not countable.

The following is the results of the recount in Hampton Township.
