- A **committee other than a candidate committee** (PAC, ballot question, or political party committee) meets both of the following requirements during the corresponding 48 Hour/Late Contribution reporting period immediately preceding an election: 1) has made an expenditure to support or oppose a candidate or ballot question on the ballot, and 2) receives a single or cumulative contribution of \$2,500.00 or more from the same person.

(***) Special Election Independent Expenditure Reports (SEIER) are owed by PACs registered on the state level when they make an independent expenditure to support or oppose a candidate or ballot question within 45 calendar days before a special election in which the candidate or ballot question is involved. The report is waived if the committee makes the independent expenditure before the closing date of a campaign statement that is due before the date of the special election and the independent expenditure is included in that campaign statement.
