**MILLAGE PROPOSAL, BUILDING AND SITE
SINKING FUND TAX LEVY**

This proposal renews building and site sinking fund millage that will expire with the 2009 tax levy and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the limitation on the amount of taxes which may be assessed against all property in Reese Public Schools, Tuscola, Saginaw and Bay Counties, Michigan, be increased by and the board of education be authorized to levy 1.5 mills (\$1.50 on each \$1,000 of taxable valuation) for a period of 5 years, 2010 to 2014, inclusive, for sinking fund purposes to be used for the construction or repair of school buildings and all other purposes authorized by law (1.4941 mills of the above is a renewal of millage for building and site sinking fund purposes which will expire with the 2009 tax levy and .0059 mill is to restore millage for the same purpose lost as a result of the reduction required by the Michigan Constitution of 1963); the estimate of the revenue the school district will collect if the millage is approved and levied in 2010 is approximately \$266,000?
