This proposal will allow the school district to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Freeland Community School District, Saginaw, Midland and Bay Counties, Michigan, be increased by 18 mills (\$18.00 on each \$1,000 of taxable valuation) for a period of 5 years, 2014 to 2018, inclusive, to provide funds for operating purposes (17.6994 mills of the above is a renewal of millage which will expire with the 2013 tax levy and .3006 mill is a restoration of millage lost as a result of the reduction required by the Michigan Constitution of 1963); the estimate of the revenue the school district will collect if the millage is approved and levied in 2014 is approximately \$1,249,191?
