

CHARTER AMENDMENT- MILLAGE INCREASE

An amendment to Section 15.8 of Article XV of the City Charter to increase the authorized maximum millage from ten (10) mills to fifteen (15) mills which may be levied annually by the City Council for General Municipal purposes.

This amendment would increase the Charter limit from 10 mills to 15 mills upon a *5/7ths* affirmative vote of the Council and would be first levied in 2012.

Shall the proposed amendment be adopted?
