Midland
Saginaw
Tuscola

Collaborating
with state and
federal
agencies for
actions to
improve
Saginaw Bay.

AGENDA

- 1) Welcome
- 2) Report on Positive actions taken towards low water level restoration. (ROW, IJC)
- 3) Review and Discussion with Q&A of proposed Saginaw Bay Regional Septic Code; Joel Straus, Bay County Interim Health Director. This will be important for representatives from various counties. All interested and participating SBCI elected local officials and County Commissioners are encouraged to attend and hear about what is being proposed and why, and ask questions. We will be setting up a schedule for further informational meetings in each county.
- 4) Brainstorming Saginaw Bay beaches and muck clean up; possible partnership with West Michigan beach managers (Beach Town Hall May 14th) How muck is managed on western Michigan shoreline? Tawas City Park?
- 5) Informational updates on environmental and economic enhancement projects proposed or underway throughout the Saginaw Bay coastal communities. (New and proposed Phragmites treatment areas (USF&W) proposed CZM grants for Saginaw Bay Blueways Trail, Bay City State Rec Area beachfront planning, Kawkawlin River, RAP Habitat Delisting effort, others, etc)
- 6) Other Items for Next Meeting Agenda June 20, 2013. Anyone able to serve as official Note Taker during meeting?
- 7) Adjourn
