SECTION 1 - PARTIES

This agreement is entered into this 1st day of January, 2017, by and between the County of Bay, including the Bay County Executive, Bay County Board of Commissioners, Bay County Prosecuting Attorney, Bay County Sheriff, Bay County Register of Deeds, Bay County Clerk, Bay County Treasurer, and Bay County Drain Commissioner (hereinafter collectively referred to as the "Employer" or the "County"), and the United Steelworkers, AFL-CIO-CLC, on behalf of the members of Local Union #15157-10, Full-Time, Bay County Unit, as are covered hereunder (hereinafter referred to as the "Union" or the "Employees").

SECTION 2 - EFFECTIVE DATES

This agreement shall become effective on the 1st day of January, 2017, and shall continue in full force and effect through December 31, 2019. In the event that no new agreement is reached upon the expiration date of this agreement, it shall remain in full effect until thirty (30) days after either party has given written notice to terminate the agreement, but subject to the provisions of PA 54 (2011) and PA 152 (2011).

In accordance with the provisions of Public Employment Relations Act (Act 336 of 1947, §423.215 (7)), the parties recognize that such Act provides for an emergency manager appointed under the local financial stability and choice act, 2012 PA 436, MCL 141.1541 to 141.1575, to reject, modify, or terminate the collective bargaining agreement as provided in the local financial stability and choice act, 2012 PA 436, MCL 141.1541 to 141.1575 and that Provisions required by this subsection are prohibited subjects of bargaining under this act.

SECTION 3 - NEGOTIATIONS

- A. The County and the Union shall each be limited to six (6) representatives for the purpose of collective bargaining. The Union International Representative will not be included in this limitation and shall attend or not attend at his discretion.
- B. Members of the Union Bargaining Committee shall not lose any pay for attendance at negotiating sessions if scheduled during normal working hours.
- C. Negotiations shall take place at mutually agreeable times. Employees shall return to their work stations after negotiations have ended, provided there is time left in their normally scheduled work period. Employees shall report to work prior to negotiations in the event negotiations are to start subsequent to the start of their normal schedule. Employees must receive the approval of their supervisor if they wish to meet with a Union representative before or after negotiations, if it is during their normal hours of work. The parties pledge their support, to begin contract negotiations in the first half of the year in which the contract expires.

ARTICLE 2
RECOGNITION

SECTION 1 - RECOGNITION

The County recognizes the Union as the sole and exclusive bargaining agent for the purposes of establishing salaries, wages, hours, and other conditions of employment for those employees designated as within the bargaining unit.

SECTION 2 - BARGAINING UNIT

The bargaining unit shall be defined as all permanent, full-time County employees who are classified technical, office, or para-professional and are not otherwise excluded.

SECTION 3 - FULL-TIME EMPLOYEE

Any employee who is regularly scheduled to work thirty (30) or more hours per week shall be considered a full-time employee.

SECTION 4 - EXCLUSIONS

Any employee whose regular duties include contact with confidential information, as defined by M.E.R.C. or N.L.R.B. relating to the wages, hours, and working conditions of other employees shall not be considered as members of the bargaining unit.

SECTION 5 - PROBATIONARY EMPLOYEES

All employees shall be considered probationary employees until the employee has completed six (6) months of work. During the probationary period, the employee may be terminated without recourse to or without regard to this Agreement, and shall not be entitled to the benefits of the grievance procedure as it relates to discipline and/or discharge. The probationary employee can be terminated for any reason or for no reason. Upon completion of the probationary period, the employee's name shall be placed on the seniority list as of his/her last date of hire; provided, however, that if an employee is absent from work for any reason, his/her probationary period shall be extended by a period equal to the duration of such absence.

ARTICLE 3
UNION SECURITY

SECTION 1 - NON-INTERFERENCE

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union.

SECTION 2 - MEMBERSHIP

Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain or drop their membership in the Union, as they see fit. Neither party shall exert any pressure on nor discriminate against any employee in regard to such matters.

SECTION 3 - EQUAL REPRESENTATION

Membership in the Union is separate, apart, and distinct from the assumption by one of his equal obligation to the extent that he receives equal benefits. The Union is required under this agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Union. The terms of this agreement have been made for all employees in the bargaining unit and not only for members of the Union.

SECTION 4 - UNION DUES OR UNION REPRESENTATION FEES

The Employer agrees to deduct Union dues or Union representation fees from those employees who have chosen to become union members' to become effective the first payday of the month, following the employee's successful completion of thirty (30) days of employment or thirty (30) days from when the employee becomes a member of the union, whichever is later. The Union dues or representation fees shall be sent to the Union's designated officer.

The Employer also agrees to deduct from an employee's paycheck the initiation fee of the union, for those employees joining the Union, which is payable only once when a new hire completes thirty (30) days of employment.

SECTION 5 - DEDUCTIONS

The Employer agrees to deduct from the salary of each individual employee in the bargaining unit who becomes a Union member, the Union's dues and initiation fee, subject to all of the following conditions:

- A. The Union shall obtain from each of its members a completed and signed authorization form which shall conform to the respective state and federal law(s) concerning that subject, or any interpretation(s) thereof.
- B. All checkoff authorization forms shall be filed with the Personnel Office, who may return any incomplete or incorrectly completed form to the Union's designated financial officer, and no checkoff shall be made until such deficiency is corrected.
- C. The Employer shall only checkoff obligations which come due at the time of checkoff, and will make checkoff deductions only if the employee has enough pay due to cover such obligation. The Employer is not responsible for refund to the employee if he/she has duplicated a checkoff deduction by direct payment to the Union.

D. The Employer's remittance shall be deemed correct if the Union does not give written notice to the Personnel Office within fifteen (15) calendar days after remittance is transmitted of its belief, with reason(s) stated therefor, that the remittance is incorrect.

E. The Union shall provide at least thirty (30) days' written notice to the Personnel Office of the amount of Union dues and/or representation fees and/or initiation fee to be deducted from the wages of employees in accordance with this Article. Any changes in the amounts determined will also be provided to the Personnel Office at least thirty (30) days prior to its implementation.

SECTION 6 - CONTINUED EMPLOYMENT

The Union shall notify an employee who has not paid his/her dues or representation fee by certified mail, with a copy to the Employer. If that employee does not pay the dues or representation fee within thirty (30) days after that notice is received, the Union shall notify the Employer by certified mail of this omission.

SECTION 7 - HOLD HARMLESS AND INDEMNIFICATION

The Union agrees to defend, indemnify and save the Employer harmless against any and all claims, suits, or other forms of liability arising out of its deduction from an employee's pay of Union dues, representation fees and/or initiation fee, or in reliance upon any list, notice, certification or authorization furnished under this Article or the termination of an employee as provided hereunder. The Union assumes full responsibility for the disposition of the deductions so made once they have been sent to the Union.

SECTION 8 - STEWARDS AND ALTERNATE STEWARDS

Five (5) stewards and five (5) alternate stewards shall be selected under rules established by the Union. The Union shall provide in writing to the Employer a current list of stewards and alternate stewards.

SECTION 9 - GRIEVANCE PROCESSING

A. A steward, during working hours, without loss of time or pay may, in accordance with the terms of this Section, investigate and present grievances to the Employer, upon having advised his/her department head of same. The department head will grant permission and provide sufficient time to the steward to leave his/her work for these purposes as long as the work force can be properly maintained.

B. The privilege of stewards leaving their work during working hours without loss of time or pay is subject to the understanding that the time will be devoted to the proper handling of grievances and will not be abused. Stewards will perform their regularly assigned work at all times, except when necessary to leave their work to handle grievances as provided herein as long as the work force can be properly maintained.

SECTION 10 - UNION BUSINESS

Aside from meetings with the County as outlined in Article 1, Section 3(C); Article 3, Section 9; and Article 7, Section 11, no employee may conduct Union business while being paid by the County except as authorized by the Personnel Director or his designee.

ARTICLE 4

SECTION 1 - MANAGEMENT RIGHTS

Except as expressly abridged by any provision of this agreement, the County reserves and retains all of its normal and inherent rights with respect to management of its affairs in all respects in accordance with its responsibilities, whether exercised or not, including, but not limited to its rights to determine and from time to time to redetermine the number, location and type of work forces, facilities, operations, and the methods processed and equipment to be employed; the scope of services to be performed, the method of service and the schedule of work time; to contract and subcontract existing and future work not to adversely affect the personnel work force, to discontinue conduct of its mission or operations in whole or in part; to determine whether and to what extent the work required in its operations shall be performed by employees covered by this agreement; to transfer its work from or to, either in whole or in part, to any number, types and grades of positions or employees assigned to any organization or unit, department or project; to establish and change work schedules, assignments and facility locations, to hire, transfer, promote and demote employees; to layoff, terminate, or otherwise relieve employees from duty; to suspend, discharge, or discipline non-probationary employees for cause, to use supervisors or other County employees to perform work of the kind performed by employees of the unit provided employees of the unit are not adversely affected except as per past practice; to alter, discontinue or vary past practices and otherwise to take such measures as management may determine to be necessary for the orderly, efficient and economical operation of the County.

SECTION 2 - SUSPENSION OF AGREEMENT

If, in the sole discretion of the Chairman of the Board of Commissioners, or in his absence, the Official so designated by law to act in his absence, it is determined that civil emergency conditions exist including, but not limited to riots, civil disorders, hurricane conditions, or similar catastrophes, the provisions of this Agreement may be suspended during the time of the declared emergency, provided that wage rates and monetary fringe benefits shall not be suspended.

ARTICLE 5
PROHIBITIONS AGAINST STRIKES AND LOCKOUTS

SECTION 1 - PROHIBITIONS

The Union agrees that there shall be no strikes, sit downs, slow downs, willful absence from assigned work station, the stoppage of work, the interruption or interference with

operations of full, faithful, and proper performance of the duties of employment. The County agrees that no lockout against any or all of the employees shall take place during the life of this agreement.

SECTION 2 - DISCIPLINE

Any employee who participates in a strike shall be subject to disciplinary action which includes possible discharge.

ARTICLE 6 NON-DISCRIMINATION

SECTION 1 - NON-DISCRIMINATION

A. The parties hereby agree not to discriminate against employees because of race, color, creed, national origin, sex, age, handicap, religious or political affiliations, as required by law.

B. The parties hereby agree that no officers, agents, representatives, members, or anyone connected with either party shall in any manner intimidate, coerce, restrain, or interfere with the rights of employees to form, join, or assist labor organizations, or to refrain from any of these activities, specifically including the right of employees to withdraw, revoke, or cancel union membership.

ARTICLE 7 GRIEVANCE PROCEDURE

SECTION 1 - STATEMENT OF PURPOSE

A. The parties intend that the grievance procedure shall serve as a means for the peaceful settlement of disputes as they arise concerning the interpretation or application of this Agreement, without any interruption or disturbance of the normal operation of the County.

B. The parties seek to secure, at the earliest level possible, equitable solutions to complaints or grievances of members of this bargaining unit. Both parties agree that proceedings under this article shall be kept as informal and confidential as may be appropriate. To that end, the parties agree that prior to writing a grievance, the employee shall discuss the matter with his or her supervisor. Thereafter, if no resolution is reached, and if the matter concerned is a subject of the collective bargaining agreement, the union representative will be notified that the employee desires union representation. When a grievance is filed, the union and the employer recognize that the Union is the exclusive bargaining representative of the employee or employees who have requested the grievance and the employee (s) is (are) barred from further negotiation with the employer concerning the subject matter of the grievance.

SECTION 2 - DEFINITION OF GRIEVANCE

A. A grievance under this Agreement is a written dispute, claim, or complaint arising under and during the term of this Agreement and filed by either an authorized representative of, or an employee in, the bargaining unit. Any grievance filed shall refer to the provision or provisions of the Agreement alleged to have been violated, shall set forth the facts pertaining to the alleged violations, and shall state the settlement or correction requested.

B. Grievances are limited to matters of interpretation or application of express provisions of this Agreement. The parties recognize that an orderly grievance procedure is necessary and agree that each step must be adhered to as set forth herein.

SECTION 3 - PROCEDURE

A. Step 1. Written Complaint: The employee shall, within ten (10) working days after the occurrence of the circumstance giving rise to the grievance or the time of the employee's first knowledge thereof, or the time the employee should have known thereof, reduce the matter to written form stating all facts in detail, sign it and provide the other information required in Section 2(A) above, and submit same to the supervisor above the employee's immediate supervisor. The supervisor shall within five (5) working days return his/her answer in writing.

B. Step 2. Department Head, Division Head, Elected Official: Failing to resolve the grievance in the first step, the Union representative may, within five (5) working days of receipt of the supervisor's disposition, present the grievance to the Department Head, Division Head or Elected Official, unless that person is the supervisor in Step 1, in which case the grievance shall proceed to Step 3, as is appropriate, who shall within five (5) working days of receipt of the grievance return his/her answer in writing.

C. Step 3. County Executive: Failing to resolve the grievance in the second step, the Union may, within five (5) working days of receipt of the Department Head, Division Head, or Elected Official's disposition, present the grievance to the County Executive or his designated representative who shall within five (5) working days of receipt of the grievance return his answer in writing.

D. Step 4. Mediation: Failing to resolve the grievance in the third step, the Union may submit the matter to the Michigan Employment Relations Commission for mediation within five (5) working days of the receipt of the answer in Step 3.

E. Step 5. Arbitration: If either party is unsatisfied with the results from the previous step, within five (5) working days of the meeting with the Mediator, either party may submit the grievance for arbitration to the American Arbitration Association. The arbitrator shall be selected in accordance with the then applicable rules of the American Arbitration Association. The decision of the arbitrator shall be final and binding upon all parties.

SECTION 4 - SETTLEMENT

Any and all grievances resolved at any step of the grievance procedure as contained in this Agreement shall be final and binding on the County, the Union, and any and all employees involved in the particular grievance.

SECTION 5 - PROCESSING

Grievances shall be processed from one step to the next within the time limit prescribed in each of the steps. Any grievance not carried to the next step by the Union within the prescribed time limits or such extension which may be agreed to in writing by the parties shall be automatically considered to be settled based upon the Employer's last answer. Any grievance not answered by the Employer within the prescribed time limits or such extension which may be agreed to in writing shall be advanced to the next step.

SECTION 6 - BACK PAY

The Employer shall not be required to pay back wages for periods prior to the time a written grievance is filed; provided, that in the case of a pay shortage, of which the employee had not been aware before receiving his pay, any adjustment made shall be retroactive for thirty (30) days providing the employee files his grievance within the prescribed times from the date of receipt of such pay.

SECTION 7 - ENTERING OR ADVANCING OUT OF ORDER

Grievances may, with the consent of the parties, be commenced at any stage of the grievance procedure or may, with the consent of the parties, be advanced and processed out of order. Time limits may be waived upon written agreement of the parties.

SECTION 8 - CLAIMS FOR BACK WAGES

All claims for back wages shall be limited to the amount of wages that the employee otherwise would have earned less any unemployment compensation or compensation from normal services that he may or could have received from any source during the period on which the back pay was provided. Any back pay awarded pursuant to a grievance settlement shall be paid in the next pay period following the settlement.

SECTION 9 - LIMITATIONS OF THE ARBITRATOR

A. The power and authority of the arbitrator shall be strictly limited to the interpretation of the explicit terms of this Agreement as herein expressly set forth. He shall not have the authority to add to, subtract from, or modify any of said terms or to limit or impair any right that is reserved to the County or Union or employees or to establish or change any wage or rate of pay that has been agreed in this Agreement.

B. The decision of any arbitrator or of the County in one case shall not create a basis for retroactive adjustment in any other case.

SECTION 10 - ARBITRATION COSTS

Arbitration costs shall be shared by both parties evenly. These will be limited to actual costs of the Arbitrator and necessary room or other accommodations only and any costs incurred by the parties in presenting their cases shall be borne by the party incurring such costs. Each party shall make arrangements for and pay the witnesses which they call.

SECTION 11 - UNION REPRESENTATION

Union involvement in the processing of grievances shall be as follows:

- Step 1. Written complaint: Employee and Steward.
- Step 2. Department Head, Division Head, Elected Official: Employee and Steward.
- Step 3. County Executive: Grievance Committee, Steward, and/or Staff Representative.
- Step 4. Mediation: Grievance Committee, Steward, and/or Staff Representative.
- Step 5. Arbitration: Grievance Committee, Steward, and/or Staff Representative.

SECTION 12 - ELECTION OF REMEDIES

When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure, such as, but not limited to, a veteran's preference hearing, civil rights hearing, or Department of Labor hearing, in addition to the grievance procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any grievance procedure provided for in this contract beyond Step 4, mediation. Therefore, the employee cannot proceed to arbitration. If an employee elects to use the grievance procedure provided for in this contract and, subsequently, elects to utilize the statutory or administrative remedies, then the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited.

ARTICLE 8 **DISCIPLINARY PROCEDURES**

SECTION 1 - JUST CAUSE

Non-probationary employees will be disciplined only for just cause and any disciplinary action taken by the County may go into immediate effect. Employees will be offered the opportunity to be interviewed prior to discipline being assessed, where circumstances permit.

SECTION 2 - TYPES OF DISCIPLINARY ACTIONS

It is recognized by both the County and the Union that all matters regarding disciplinary action must take into account the seriousness of the offense, the number of previous offenses, the employee's past record of performance, and the circumstances under which the offense was committed. Disciplinary action shall be defined as follows:

A. Oral Reprimand

This form of disciplinary action may be used to correct and/or warn an employee of errors, poor work performance or violation of a minor nature. Such warnings will be given privately with only those persons involved present. (The employee and employer shall have the option to have a representative present.)

B. Written Reprimand

1. This is an action taken by a supervisor in which he writes out the action or behavior which he wishes the employee to change, cease, or begin. The written reprimand will describe in detail the behavior to be corrected and will give direct and concrete orders for the future and will point out the consequences of repeating the actions which brought about the written reprimand.

2. The written reprimand must be presented to the employee. The employee and employer shall have the option to have a representative present.

C. Withholding a Salary Increase After the Prerequisite Length of Service in the Classification Has Been Completed

1. Increases in salary are given after the passage of a certain amount of time in the employee's classification and on the recommendation of the employee's supervisor. (See the County Salary Schedule for the time intervals between increases for the various classifications.)

2. Increase forms are prepared by the Personnel Department and sent to the supervisor prior to the effective date.

3. A copy of the disapproved increase form, with the supervisor's comments must be presented to the employee.

D. Suspension Without Pay

This is an action taken by a supervisor removing an employee from employment in his department and from the County payroll.

1. This action does not require the employee's consent to place him on such a leave without pay.

2. The employee does not accrue salary, annual leave credit or sick leave credit during the time he is suspended.
3. At the end of the suspension, the employee shall be returned to the payroll at the same department, classification, and salary as when he was suspended.
4. Suspension without pay must be written and must be presented to the employee. The employee and employer shall have the option to have a representative present.
5. Any grievance regarding a suspension must be filed within five (5) working days and will go directly to Step 3.

E. Demotion

This is an action taken by a supervisor which reduces an employee's classification to a classification with a lower maximum salary.

1. The employee's salary must be reduced to fall within the range of the new classification but to no lower step designation than the one held in the higher classification.
2. The employee's duties and responsibilities must be reduced to those of the lower classification.
3. The reasons for the demotion must be given.
4. Demotions must be in writing and must be presented to the employee.

F. Dismissal

This is an action taken by a supervisor which permanently removes an employee from employment in his department and from the County payroll.

1. Dismissed employees need not be kept in employment or be paid for any time after the completion of their normal working day on the day they are dismissed.
2. Dismissed employees who are not reinstated through the grievance procedure shall not receive payment for unused sick leave accumulations.

SECTION 3 - DISCIPLINARY RECORDS

Records of all disciplinary actions shall be maintained as follows:

All disciplinary actions, other than oral reprimands, shall be issued in writing by the supervisor with copies going to the employee, Union, and the Executive office.

SECTION 4 - REVIEW

After a period of two (2) years from date of filing, such records shall not be used for subsequent disciplinary actions unless they are related to new infractions. For suspensions only, after a period of three (3) years from date of filing, such records shall not be used for subsequent disciplinary actions unless they are related to new infractions.

ARTICLE 9
SENIORITY

SECTION 1 - DEFINITION

Seniority means a permanent employee's length of continuous service with the County within the bargaining unit since his or her last date of hire. An employee who has not completed six (6) months of continuous employment shall not be considered to have seniority and shall not be considered a permanent employee.

SECTION 2 - SENIORITY LISTS

The seniority lists on the date of this Agreement will show the names and job titles of all employees in the unit entitled to seniority. Such lists shall show county-wide seniority. The Employer shall keep the seniority list up-to-date and present such lists to the Union twice per year upon request or in the event of a layoff of a bargaining unit employee.

SECTION 3 - LOSS OF SENIORITY

An employee shall lose all seniority credit and his/her employment for any of the following reasons:

- A. Voluntary or involuntary termination.
- B. Failure to report to work after an expired leave of absence of any kind, or recall from layoff, on the specified date for return (including sick leave), unless the failure to return was due to circumstances beyond the control of the employee. The Employer may require verification of the circumstances.
- C. Layoff, for three (3) years or for a continuous period equal to the seniority acquired at the time of such layoff, whichever is less.
- D. He/she is absent for three (3) consecutive working days without notifying his/her Supervisor. In proper cases, exceptions may be made by their Supervisor.
- E. He/she is convicted or pleads guilty or no contest to a felony, or non-traffic misdemeanor which misdemeanor results in sentenced jail time. (Nothing herein shall preclude the Employer from taking appropriate disciplinary action for any criminal offenses.)

F. He/she intentionally falsifies his/her employment record or employment application.

SECTION 4 - SAME DATE OF HIRE

Employees hired on the same date into the bargaining unit shall have the seniority between themselves determined by adding their social security numbers with the higher number having more seniority. Zero shall be counted as zero.

SECTION 5 - NEW DEPARTMENTS

In the event the County assumes a new department with employees who fit within the scope of the Union's bargaining unit, such employees shall have the date their department was assumed by the County as their seniority date and their relative positions on the seniority list shall be determined by their date of hire with the assumed department.

SECTION 6 - TRANSFERS OUTSIDE BARGAINING UNIT

An employee who accepts a position with the County as an employee not included in this bargaining unit shall maintain all accumulated seniority to date of transfer. Upon applying to return to the bargaining unit, said employee shall comply with the posting requirements for the vacant position including having the presently required qualifications, education and skills.

A returning employee shall accrue benefits at a level consistent with his or her bargaining unit seniority. To be eligible for the above, there must be a vacancy. The above-stated rights shall only last for four (4) years from the date the person leaves the bargaining unit. Notwithstanding the above, an employee who is discharged shall not be entitled to return to the bargaining unit.

ARTICLE 10 **LAYOFF AND RECALL**

SECTION 1 - NOTICE OF LAYOFFS

The County shall give written notice to the permanent employee and the Union of any proposed layoff. Such notice shall be submitted at least ten (10) working days before the effective date thereof.

SECTION 2 - ORDER OF LAYOFFS

Any layoff of employees shall be made by inverse order of seniority within the affected department and classification, except when normal operations of the various departments would be jeopardized. In the event of a layoff, the Employer shall discuss these exceptions with the Bargaining Committee.

SECTION 3 - BUMPING RIGHTS

Employees laid off or displaced under this Article will be allowed to bump the person with the least seniority in that wage classification for which they have the qualifications as determined by reasonable testing procedures, including temporary positions within divisions covered by this Agreement. Where practicable, employees will be tested and/or interviewed to determine whether they are qualified prior to the move. If there is no position available in the wage classification that the displaced employee can perform, the employee may then bump the person with the least seniority in the next lower wage classification for which they have the qualifications, as described above.

SECTION 4 - BUMPING PROCEDURE

Employees electing to bump may only bump to equal or lower graded classifications and shall be placed at the same step level of the new grade as held in the higher grade. An employee's increment date shall not change as a result of bumping.

SECTION 5 - PREFERENTIAL SENIORITY

Union officers (i.e. President, Vice-President, Treasurer, Financial Secretary, and Recording Secretary) and the three elected members of the Union Bargaining Committee shall exercise the highest seniority in the bargaining unit for the purpose of layoffs. This preferential seniority can be used, together with the provisions of this section, to hold a job in the bargaining unit as long as there is work which they are qualified to perform.

SECTION 6 - RECALL FROM LAYOFF

Permanent employees to be recalled from layoff shall be recalled to the job from which they were originally reduced or to the job into which they bumped, seniority permitting.

SECTION 7 - NOTICE OF RECALL

Five (5) working days' notice of recall shall be sent by certified or registered mail, or hand delivered, to the laid off employee's last known address. If the employee fails to report to work within five (5) days after receiving notice of recall, he or she shall lose all seniority and recall rights. If an employee cannot return to work within the five (5) days because of medical reasons verified by a physician who may be selected by the Employer, he or she shall not be recalled to that position, but shall have the right to be recalled to another position under the terms provided herein in the event of a future recall notice. It is the employee's responsibility to notify the County of his or her current address.

ARTICLE 11

SECTION 2 - NOTICE

Notice of a job vacancy shall be posted for a period of seven (7) working days. The notice will show the classification and rate of the position.

SECTION 3 - ASSIGNMENT OF JOB

All posted vacancies shall be assigned to the senior qualified bidder who has the present qualifications, education and skills for the position as determined by objective criteria provided by the Human Resources Director. The Employer may hire from the outside in the event that no qualified bidder is available from the bargaining unit. The successful applicant will then be notified of the date his or her new assignment shall commence. The results of the job posting shall be communicated in writing to the Unit President.

PROSECUTOR'S OFFICE and SHERIFF'S DEPARTMENT. Prior to assigning a position, the Employer reserves the right to conduct a drug test and criminal history investigation for applicants who apply for vacancies in the Prosecutor's office and/or Sheriff's Department. The results of a drug test and criminal history investigation are each to be considered as part of the objective criteria used in making an appointment to a vacancy. Applicants currently assigned to the Prosecutor's office who apply for another position within the Prosecutor's office shall not be given a drug test or have a criminal history investigation conducted. Applicants currently assigned to the Sheriff's Department who apply for another position within the Sheriff's Department shall not be given a drug test or have a criminal history investigation conducted.

SECTION 4 - TEMPORARY ASSIGNMENTS

During the bidding period the Personnel Director may make a temporary assignment to fill the posted vacancy.

SECTION 5 - TRIAL PERIOD

An employee bidding into a change of a job shall be given thirty (30) calendar days to satisfactorily perform the job. If such employee fails to satisfactorily perform the job, as reasonably determined by the Employer, he or she shall be returned to the previous position, unless his or her trial period is extended up to an additional thirty (30) calendar days by mutual agreement of the Employer, the Union, and the employee. If returned to the previous position, all appointments made as a result of the original job assignment shall be reversed.

SECTION 9 - TRANSFERS FROM PART-TIME USW TO FULL-TIME USW

Candidates for full-time positions are evaluated on a number of criteria, such as education, prior work experience, resumes, interviews, tests and other objective criteria, such as duties performed and references from prior employers. Prior work experience as a part-time Steelworker will be assessed in the same manner in which other applicants are judged by their prior work experience.

SECTION 3 - LUNCH PERIODS AND REST PERIODS

Each employee shall be allowed a one hour unpaid lunch period and two (2) fifteen minute rest periods daily. Lunch periods and rest periods shall be staggered so as not to curtail services to the public. Rest periods shall be considered as working time and may not be added to the lunch period or accumulated in any manner.

SECTION 4 - NO MINIMUM HOURS

Nothing herein shall be construed as guaranteeing employees forty (40) hours of work per week or eight (8) hours of work per day.

The Union shall be notified in writing of such new classifications and pay rates. If no written objection to the rate thus set is registered with the Employer within ten (10) work days after the rate has been set, such rate shall become permanent. If the Union disagrees with the rate, it shall serve a written notice upon the Employer within such ten (10) work days of its desire to negotiate with respect to such rate. Such negotiations shall be initiated within fifteen (15) work days after receipt by the Employer of such written notice. In the event the parties cannot reach an agreement, the Employer may implement its last best offer as permitted by law.

SECTION 3 - RECLASSIFICATION

When an employee believes that his or her classification is deserving of consideration, the Union may present their request. The Personnel Director and the Union agree to discuss such reclassification requests applying the methods set forth in the County's Wage and Salary Program. In order to receive consideration, such requests must be received by the County prior to May 1 of each year and any adjustments will become effective as of January 1 of the following year. The current pay scale will continue to be used, to determine the appropriate pay step in which to place an employee whose position was reclassified.

Nothing in this Article 14, Section 3 is subject to the grievance procedure.

SECTION 4 - OVERTIME

A. Permanent employees shall be compensated at time and one-half ($\frac{1}{2}$) the employee's regular hourly rate of pay for work under any of the following conditions:

B. By mutual consent of the parties, compensatory time at the rate of one and one-half ($1\frac{1}{2}$) times may be taken in lieu of receiving overtime pay. Compensatory time will be taken at a time mutually agreed upon between the employee and his immediate supervisor in accordance with the provisions of The Fair Labor Standards Act.

C. Any employee called in to work other than during the scheduled work shift shall be paid a minimum of two (2) hours pay at his/her regular straight time rate. This does not include overtime worked as a continuation of a schedule shift.

D. No overtime will be worked unless previously approved by the Supervisor or Department Head.

E. For the purposes of computing overtime, holidays, vacation days, funeral leave and paid sick leave shall be considered as days worked, provided these days fall within the employee's scheduled work week.

F. It is the intent of the County that overtime shall be equally distributed among qualified employees in each department insofar as practicable over the period of this contract. Failure to work overtime shall be considered as time worked for purposes of overtime records. It is mandatory that employees work reasonable amounts of overtime when requested by their supervisor. In case of emergency or necessity, mandatory overtime can be scheduled without advance notice.

G. Nothing contained in this Agreement shall be interpreted as authorizing or permitting a duplication or a pyramiding of daily or weekly overtime payments involving the same hours of work.

SECTION 5 - SHIFT DIFFERENTIAL HOURS

A. All bargaining unit employees who work shifts designated as night shifts shall be given a night shift differential in addition to the regular hourly job rate for all hours worked within the designated shifts.

It is agreed that each shift shall be paid in accordance with the provisions of The Fair Labor Standards Act.

SECTION 7 - OUT OF CLASSIFICATION PAY

When an employee has been notified by his or her immediate supervisor to fill a vacancy in a higher level job for the period of eight (8) or more hours within a seven (7) calendar day period, he or she shall be compensated for such hours worked at the rate of the entry step for that job or if this rate is not equal to an increase in rate for the involved employee, the compensation shall be at the lowest pay grade range for the job which does provide an increase in pay to the employee. This agreement is subject to the following conditions:

A. In the opinion of the immediate supervisor, the employee is fully qualified to perform the duties of that position.

B. A vacancy shall mean the replacing of a regular employee who is off work for illness, vacation or other compelling reason.

C. If, in the opinion of the employer, it is not necessary to fill such vacancy, it need not be filled. In this case, no remaining employee shall be required to perform work above his/her classification in order to compensate for the absent employee.

SECTION 8 - HOLIDAY PAY

However, not more than ten (10) days per calendar year shall be allowed for any one (1) employee.

C. The Union may request a leave of less than one day by notifying the employee's supervisor in writing at least two work days in advance. The leave shall be granted, unless it creates an undue hardship. The employee shall be paid for the time off by the County and the County shall bill the union for that time.

SECTION 4 - POLITICAL LEAVES

Political leaves of absence shall be granted when an employee assumes a full-time elective political office. Such leave shall be granted for one (1) term of office or four (4) years, whichever is greater, and shall be governed by the same rules and procedures that apply to leaves granted under Article 9, Section 6 (Transfers Outside Bargaining Unit) of this Agreement.

He/she shall furnish to the Employer, in writing, a statement of the total amount of Government base paid wage received for this service during this period. If such Government wage does not equal the employee's usual salary, he/she shall be paid the difference by the Employer for a period not to exceed ten (10) working days in any one (1) calendar year. The employee shall notify the Employer as soon as possible when called upon to report for training.

The employee must give prior notice to his or her manager of the days to be taken.

B. An employee excused from work under this Section shall, after making written application, receive the amount of wages, exclusive of shift or any other premiums, that he/she would have earned by working during straight time hours on such scheduled days of work for which he/she was excused. Time thus paid will not be counted as hours worked for purposes of overtime.

C. In the event of a simultaneous tragedy affecting more than one of the covered relatives enumerated above, not more than three (3) normally scheduled workdays shall be excused with pay, and all such paid days shall be subject to the terms and conditions heretofore stated in this section.

D. In the event of death of an employee's aunt, uncle, nephew, niece, or brother or sister of a current spouse; one (1) day paid leave will be allowed subject to the terms and conditions heretofore stated in this section. F. Additional paid time may be granted for extenuating circumstances at the discretion of the Personnel Director. Total of all leave shall not exceed five (5) days.

SECTION 7 - JURY DUTY AND WITNESS LEAVE

A. During the time an employee is actually reporting to the Court for jury duty and following receipt of "Certificate of Jury Service," the department head or his/her designate will convert the employee's usual shift to a regular five-day, Monday through Friday day-shift basis.

B. Employees who are called to serve on jury duty during scheduled working hours will be compensated for the difference between the rate of pay for the jury duty and the employee's regular rate for the hours scheduled to work. An employee shall return to regularly scheduled employment with the Employer when temporarily excused from attendance at court, provided that there is at least one-half (½) hour remaining of scheduled work. Employees shall submit evidence of attendance at jury duty upon request.

C. Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels his or her presence as a witness for a matter directly related to his or her employment on behalf of the Employer, or civic duty which is not a personal matter, he/she shall be allowed the time necessary to be absent from work at his/her regular pay to comply with such subpoena, provided he/she deposits any witness fees, except mileage, with the County Treasurer.

D. Other benefits shall continue to accrue and be paid as provided in this Agreement while an employee is on jury duty or witness leave.

SECTION 8 - PROCEDURE FOR LEAVES

A. An employee must submit a letter of application to the Personnel Director at least two (2) weeks prior to the start of any leave except funeral leave, for which advance notice is not required.

B. Employees must notify the Personnel Director in writing at least one week prior to any contemplated change in termination date. Any change in such termination date must be mutually agreed upon.

C. It will be the option of the employee to utilize any accumulated vacation days.

D. Fringe benefits will be retained but not accrued or paid during leave unless otherwise stated in this Agreement. At the employee's option, he or she may continue in the County's Medical Insurance Plan at his or her own expense during a leave.

E. During a leave of absence seniority will be maintained but shall accrue only during the following leaves: sick and accident, union, funeral, National Guard or Reserve, jury duty, and witness.

F. Vacancies created by leaves may be filled or left vacant at the discretion of the Personnel Director. If the position is filled, it shall be filled by a substitute employee, whenever feasible. If it is not feasible to fill the position with a substitute employee, a permanent employee may be hired after discussing the matter with the Union Bargaining Committee.

G. An employee desiring to return from a leave may return directly to his or her job if the position was left vacant or if a substitute employee was used. If a permanent employee was used the returning employee cannot bump, but must take an available position for which he or she has the seniority and qualifications. If no such position is available immediately, the employee will be laid off without bumping rights. An available position shall include a vacant, posted position and substitute positions. However, if the employee returns as a substitute he or she shall be entitled to all benefits of this contract until displaced by the returning employee.

SECTION 9 - FAMILY AND MEDICAL LEAVE

The parties recognize that the Employer, the Union and employees have certain rights and obligations under the Family and Medical Leave Act (FMLA). The parties agree that no provisions of the Labor Agreement shall operate to waive any rights that each may have under the FMLA.

ARTICLE 16 **SICK LEAVE**

SECTION 1 - ACCRUAL

A. Sick leave for each permanent employee shall be one (1) eight hour day with pay for each month of service. For the purpose of this section, a month of service is completed when the employee has worked eleven (11) days in any one month. Paid sick leave accumulation shall be limited to a maximum of ninety (90) days (See Letter of Understanding). Any employee who is on paid sick leave shall be entitled to all contractual benefits as if he/she were working.

B. A probationary employee may accrue sick leave while on probation, but may not use such accumulated sick leave until he/she has completed one hundred eighty (180) days of service.

SECTION 2 - USE

A. Paid sick leave may be used when illness or disability prevent an employee from working or for necessary absence from work for the purpose of keeping an appointment with a doctor.

B. An employee may use up to ten (10) days of accumulated sick leave per year for serious illness or to keep a doctor, dentist, or other medical related appointment which requires the employee's presence in the immediate family. For the purposes of this Section, the immediate family shall be defined as the employee's spouse, child, parent, and sibling that requires the presence of the employee; serious illness shall be defined as an illness of a serious nature which involves the hospitalization or treatment by a physician of a member of the immediate family and requiring the presence of the employee.

C. Effective after execution of this contract by all the parties in 2003, sick leave may be taken in any unit from one-half ($\frac{1}{2}$) hour to the maximum available in one-half ($\frac{1}{2}$) hour increments.

D. If the use of sick leave is excessive or the Employer has reason to believe it is being abused, medical verification will be required. This may include a requirement for examinations by a doctor selected by the Employer. If this entails a cost not otherwise required, it shall be borne by the Employer only if it is determined that the use of sick leave was proper. Payment by the Employer will be made only if the examination is directed by the Employer. If the dispute still exists, at the request of the Employer or employee, the designated physician of the Employer and the employee's doctor shall agree upon a third doctor to submit a report to the Employer and the employee, and the decision of the third party shall be binding on all the parties. On the basis of that examination, the Employer shall take appropriate action, subject to the employee's rights as established in the collective bargaining agreement.

E. Any abuse of this Section shall be cause for disciplinary action.

SECTION 3 - PAY OR CONVERSION

A. Any employee who is eligible for retirement and retires from County service and is entered on the Retirement or Pension Roll of the County or any employee who leaves the County's employ having attained the age of sixty-five (65) years shall be paid for one-half ($\frac{1}{2}$) of his/her unused sick leave at the time of departure. The estate of an employee who dies while

employed by the County shall, upon death of the employee, be paid for one-half (½) of his unused sick leave on record at the time of death.

B. Any employee who leaves the employ of the County having accumulated at least twelve (12) years of service, shall be paid one-half (½) of his or her accumulated sick leave at his/her prevailing hourly rate, not to exceed \$2,500.

C. In the event an employee should accrue more than ninety (90) days of sick leave at the end of any calendar year, he/she shall be granted one-half (½) of this excess sick leave accumulation to his/her vacation time available in the following year. For purposes of this computation, one half day of vacation time will be added for each full day of excess sick leave accumulation, i.e. 10 days = 5 days' vacation; 13 days = 6.5 days' vacation.

ARTICLE 17
HEALTH AND WELFARE

SECTION 1 - MEDICAL AND HOSPITALIZATION INSURANCE

A. MEDICAL AND HOSPITALIZATION INSURANCE

The COUNTY will provide the following option for medical/hospitalization coverage:

Blue Cross Blue Shield of Michigan (BCBSM) Preferred Provider Organization (PPO)
with dental, vision and orthodontic riders

Effective January 1, 2014, a Wellness Center became part of the Bay County health plan. Participation in the Wellness Center is voluntary. Office visits and generic prescriptions are at no cost to employees. Wellness Center costs are borne by the County during the course of this agreement.

The Employer may use or substitute other health insurance companies which provide comparable coverage for any or all of the health insurance component coverages (medical, prescriptions, dental, vision).

The Employer will notify the Union immediately of any change or proposed change in health insurance carriers or covered benefit levels.

B. PAYMENT IN LIEU OF HEALTH INSURANCE COVERAGE

Any active unit member who is eligible, but chooses not to participate in the medical/hospitalization insurance package, who has health insurance coverage from another source and who signs a waiver from the Employer, shall be paid an annual amount of One Thousand Eight Hundred and No/100 (\$1,800) Dollars. The annual payment will be paid in equal amounts over twenty-six (26) pay dates in a calendar year. An employee who elects Payment in Lieu of Health Insurance Coverage after January 1 of any year, shall be paid a pro-rata amount of the \$1,800 in the same manner as described in the previous sentence with the amount calculated based on the number of full months remaining in the calendar year after the date of the election (example: employee hired June 15, will be entitled to \$900 for that year effective July 1). An employee who subsequently loses medical/hospitalization coverage from another source shall have the right to obtain medical/hospitalization coverage from the Employer as provided in this Agreement at the earliest date possible after written notice to the Personnel Director and approval by same. Said employee shall be entitled to a pro-rata payment in lieu of health insurance to the date the employee becomes covered by the Employer's medical/hospitalization plan calculated in the same manner as described above for new hires.

When both spouses work for Bay County and are both eligible for health care, the other spouse shall be ineligible for the Payment in Lieu of Health Care. It is agreed between the parties that those spouses who received this Payment in Lieu of Health Care in 2016 shall continue to be eligible to receive this benefit. If such employee at any time becomes ineligible to receive the Payment in Lieu of Health Insurance Coverage, they will lose this Grandfathered status.

Any employee who elects Payment in Lieu of Health Insurance Coverage may elect at the same time to be enrolled in dental and/or vision coverage. The amount the employee will receive for Payment in Lieu of Health Insurance will be determined by deducting the cost of the dental and/or vision coverage from \$1,800 (example: On January 1 employee elects family dental coverage for which the annual cost is \$1,200, the employee will be paid \$600 cash in lieu of health coverage). For elections made after January 1 of any year, both the Payment in Lieu of Health Insurance and the cost of the dental and/or vision coverage shall be prorated.

C. METHOD OF COMPUTING EMPLOYEES' SHARE OF PREMIUMS

Effective July 1st of each year subsequent to 2003, employees' contributions shall be fifteen percent (15%) of the rates that are developed based upon the preceding calendar year's actual cost of the Blue Cross Blue Shield Self-Insured Administrative Services Contract (ASC). In the event that any component of the health insurance benefit (medical, prescription drugs, dental, vision), can be provided by an alternate carrier or if a program is added (as in the case of the Wellness Center), with one or both actions being implemented only to enhance cost savings,

the employees' contributions shall be fifteen (15%) of the rates that are developed based upon the preceding calendar year's actual cost of all programs combined.

D. RETIREES

Effective upon execution of this agreement by the parties in 2003, retirees who are not eligible for Medicare shall select only the Blue Cross Blue Shield PPO health plan without dental and vision; retirees who are eligible for Medicare shall select only the Blue Cross Blue Shield CMM 100 health plan; retirees' contributions toward the cost of health insurance shall be calculated using the same formula as that used for employees, as described in Section III above.

The County shall provide paid health care benefits for the retiree's current spouse (at time of employee's retirement) in an amount equal to 50% of the difference between the premium required to purchase employee/one dependent coverage and the premium for employee only coverage. Retirees can elect to cover eligible dependent children with the cost to cover eligible dependent children to be paid 100% by the retiree.

Health care benefits for an eligible spouse shall be paid for, under the terms provided in the preceding paragraph for as long as retirement benefits are being paid to the retiree or in the event of the retiree's death, the spouse remains eligible for health care benefits for as long as he/she receives a Bay County pension as a beneficiary.

Effective for employees hired on or after January 1, 2007, the employer paid portion of retiree and retiree spouse health insurance will be in accordance with the following schedule:

Years of Service	Employer Paid % of Retiree's Premium	Employer Paid % of Spousal Coverage
10	55%	0%
11	55%	0%
12	55%	0%
13	55%	0%
14	55%	0%

*FOR EMPLOYEES HIRED ON OR AFTER JANUARY 1, 2007		

The obligation of the Employer to pay for health insurance for the retiree and/or retiree's spouse shall cease in the event that comparable health insurance is available to the retiree or his/her spouse through another Employer or other source. For example, if the retiree accepts other employment and health insurance is available from that Employer, then the County's obligation to the retiree and spouse shall cease, or in the event that the retiree is eligible for health insurance through his/her working spouse, the County shall not be obligated to provide

health insurance benefits. All questions of eligibility shall be determined by the rules and regulations established by the carrier providing such coverage. However, if the retiree's health insurance through another Employer ceases or if covered by his/her spouse's health insurance and the benefits cease or are not comparable with the Bay County Health Insurance Plan the retiree and his/her spouse shall have the right to revert to the County of Bay Health Insurance Plan during any annual open enrollment period or by submitting a completed enrollment forms within thirty (30) days of the occurrence. In the event of the death of the retiree, the deceased retiree's spouse who was otherwise previously qualified shall have the right to revert to the County of Bay Health Insurance Plan provided he/she continues to receive a Bay County pension as beneficiary of the deceased retiree.

To be eligible to receive Employer payments for benefits as set forth herein, the retiree and/or his/her spouse must coordinate with other available governmental health insurances such as, but not limited to, Medicaid and Medicare, which may be available in part or in total to the retired employee and/or his/her spouse. The retiree and/or the retiree's spouse receiving health benefits under this contract shall be required to apply for Medicaid, Medicare Parts A and B or similar Federal program benefits as soon as he/she is eligible. As of the date of eligibility, all benefits payable by the Employer shall be reduced by an amount equal to the Federal benefits or other benefits available and shall be supplemental to such coverage. In the event that the name of any of the coverages or benefits referred to are changed, the replacement programs shall apply to the above replacements.

Eligible Retirees will be provided health insurance if there is no break between their last day of work and their first day of retirement as a retiree receiving a monthly pension check. That is, those who separate from employment, and either defer retirement or who are not immediately eligible for pension benefits, will not be provided with health insurance at any time.

Such payout will be into the regular payroll check.

During the course of negotiations, the parties expressed a desire to encapsulate letters of understanding and memoranda which reflected past items of agreement not currently contained in the collective bargaining agreement (CBA) and add those for the sake of reference as an Attachment to the 2017-2019 CBA.

Such documents reflect the parties' intentions and serves to clarify certain long-standing practices as they apply to particular situations. Accordingly, it is understood between the parties that these documents shall bind the parties during the course of this 2017-2019 CBA, but do not automatically carryover to the next agreement.

The following documents are included as Attachments to the CBA:

<u>Type of Document</u>	<u>Year</u>	<u>Subject</u>
Letter of Understanding	1999	Flexible Spending Accounts
Letter of Understanding	1996	Reclassification requests
Letter of Understanding	1997	Lateral Transfers and Job Reclassifications
Letter	2016	Health Care/ Juvenile Home Schedule/ISD Scheduling Issue/Animal Control Scheduling

LETTER OF UNDERSTANDING

This letter of understanding is by and between the Bay County Board of Commissioners, Executive, Prosecutor, Treasurer, Clerk, Drain Commissioner and Register of Deeds (hereinafter referred to as "Employer"), and the United Steelworkers of America on behalf of Local Union 15157, Bay County Full-time Unit (hereinafter collectively referred to as "Union").

RE: Flexible Spending Plan

It is agreed that the Employer may offer to employees in the collective bargaining unit a voluntary, flexible spending plan for unreimbursed medical expenses (up to \$2,000 per year per employee) and for child care (up to \$5,000 per year per employee) beginning on September 1, 1999, provided that all authorized Union officials sign this letter of understanding prior to July 1, 1999, and provided the plan remains permitted by applicable law. Only regular-status employees who have one or more years of unbroken service with the Employer may participate in the plan.

The company administering the plan will charge participating employees fees to be determined by the company, and such fees shall be paid through payroll deduction. It is acknowledged that the Employer and participating employees face certain financial risks by participating in this plan. The Employer or the Union may cancel this letter of understanding with written notice to the other in September of any year with the effective date of the cancellation being January 1 of the following year.

Re: 2017-2019 Collective bargaining agreement

This letter will clarify the position of the parties regarding several items of discussion which occurred during the course of negotiations in 2016.

Health Care

Of ongoing concern to both parties is the increasing cost of health care and the impact of that cost on the County and its employees. We have agreed to the concept of a Wellness Center, as well as changes in deductibles and co-pays. We have also continued the prescription incentive program for the duration of the new agreement.

However, as we have discussed, we believe that increased employee participation in addressing the controllable aspects of medical care inflation should mitigate some of those increases. Accordingly, we will form an employee participation group (EPG) which will focus on health care costs and improving employees' overall health. At a minimum, the group will consist of the County's benefit staff and Wellness Coordinator and the President of the USW local. It is anticipated that other employees (both represented and non-represented) may have an interest in this task force's mission. The group will meet on an as-needed basis, as determined by the Wellness Coordinator.

Although the group will have no authority to act on its own, its mission is to study the current system of health care administration and wellness efforts and make recommendations to the appropriate parties.

After the committee has been operating for 12 months, the parties will evaluate the progress made and determine whether to continue its operation.

Juvenile Home Schedule

Recognizing that the responsibility for scheduling employees falls to the employer, the parties agree that following the effective date of the agreement, a meeting concerning scheduling will be conducted, with the goals of exchange of ideas which may lead to a mutually beneficial solution to some of the issues that sometimes befall a 24/7 operation.

ISD Scheduling Issue

The union and the employer, without prejudice to either party's position and without establishing precedent, agree that the current practice of scheduling on-call, as well as the pay and comp time provisions currently in place with ISD employees will remain in effect for the duration of the 2017-2019 collective bargaining agreement.

Animal Control

The union and the employer, without prejudice to either party's position and without establishing precedent, agree that the current practice of scheduling on-call, as well as the pay and comp time provisions currently in place with Animal Control employees will remain in effect for the duration of the 2017-2019 collective bargaining agreement.

Please review with your bargaining committee and sign and return to me if you are in agreement with the provisions of this letter.

President USW 15157
