

Bay County Health Department Services

The Health Department facility is currently available for certain services on a limited basis, Monday through Friday 8:30-4:00 pm. Pursuant to Executive Order 2020-114, persons who enter the building will be required to wear a face mask or covering and maintain social distancing. Individuals who are sick will not be allowed in the building. Our programs and services are available as follows:

Bay Community Health Clinic: By appointment only, televisits and limited in person appointments are available. Please call 895-2035 for more details.

Children's Special Health Care: By appointment only, televisits and limited in person appointments are available. Please call 895-4235 for more details.

Maternal Infant Health Program: By appointment only, televisits are available. Please call 895-4004 for more details.

Personal Health Services (Family Planning & STD): By appointment only, televisits and limited in person appointments are available. Please call 895-4015 for more details.

Immunizations: Opens on week of June 15 at Bay County Civic Arena. By appointment only. Please call 895-4009, ext. 2 for more details.

Women, Infant and Children (WIC): By appointment only, televisits are available. Please call 895-2035 for more details.

Environmental Health: In facility services continue on a limited basis. Inspections, permits and other services are available. Please call 895-4006, ext. 3 for more information. Application forms should be completed prior to visiting, in order to minimize the number of people waiting in line. Residents are asked to be patient as some processes have changed due to COVID-19. Longer wait times are anticipated to process permits and perform and schedule inspections.

Medical Examiner: Autopsy reports are available upon request. Please call 895-4009 for more details.

Hearing & Vision: Will resume in July 2020
