

Telehealth Appointments Now Available at Bay County Health Department

The Bay Community Health Clinic and Personal Health/Family Planning Services are now scheduling appointments via telehealth.

- Call the **Bay Community Health Clinic at 895-2035** for your primary care needs.
 - Monday - Thursday from 8:00 am - 4:30 pm
 - Appointments are available for new and existing clients
- Call the **Personal Health/Family Planning at 895-4015** for any contraceptives, STD, or family planning needs.
 - Monday - Friday from 8:00 am - 4:30 pm
 - Appointments are available for new and existing clients

Appointments will require a client to be able to connect via a smartphone, laptop or tablet device. Staff will be available to help clients with this process.
