

SEASONAL JOB VACANCY ANNOUNCEMENT – MOSQUITO CONTROL**JOB TITLE: SEASONAL FIELD TECHNICIAN (NIGHT SHIFT)****RATE OF PAY: \$14.75 per hour (1ST YEAR)
\$15.25 per hour (2ND YEAR)****GENERAL SUMMARY:**

As a Seasonal Field Technician (night shift), tasks will be performed as assigned by Bay County Mosquito Control supervisory staff relating to the surveillance and control of mosquitoes in Bay County. Field Technicians (night shift) will conduct control of adult mosquitoes mainly consisting of driving and applying control materials from a truck-mounted spray unit; the technician may at times be asked to perform duties to control mosquito larvae. Technicians will also perform public outreach by educating residents on controlling mosquitoes. A large portion of treatment consists of driving, working outdoors on uneven terrain, lifting up to 50 pounds, and climbing in and out of truck beds, requiring good physical condition. Hours will vary during the treatment season of May 1 to September 30, however, work shift is generally Monday through Friday, 7:45 p.m. to 1:45 a.m. and may include weekends and overtime. Ability to work a flexible schedule (nights and some days) required.

ESSENTIAL FUNCTIONS:

1. Apply insecticides to control adult mosquitoes in accordance with all federal and state regulations.
2. Operate handheld and truck-mounted equipment for the control of larval and adult mosquitoes.
3. Maintain accurate records of all insecticide applications and other work performed.
4. Safely operate and maintain vehicles, equipment, buildings, and grounds.
5. Interact with and educate the public in a polite, courteous manner.
6. Consistent and punctual attendance is an essential function of this position.
7. Other duties as assigned by Supervisor.

QUALIFICATIONS:

18 years old; high school graduate or equivalent; valid Michigan driver's license; must be able to be insured in accordance with the County's vehicle insurance carrier standards; must attend Bay County Mosquito Control's training session; a working knowledge of road maps and familiarity with acres and distances is helpful; the ability to present verbal and written information on treatment and surveillance is necessary. **Must be able to pass a drug test and background check.**

All technicians must pass the MDARD Certified Pesticide Applicator Exam in categories Core and 7F (mosquito control) within 2 weeks of employment.

APPLICATION PROCEDURE:

Apply online at <https://selfservice.baycounty-mi.gov/MSS/employmentopportunities/default.aspx> by - open until filled.

AN EQUAL OPPORTUNITY EMPLOYER

"Bay County is an equal opportunity employer. It is the policy of Bay County and its departments to pursue equal employment opportunity regardless of height, weight, political or religious affiliations, race, color, sex, disability, familial status, sexual orientation, gender identity, national origin, or other protected classification set forth by law in our relationship with applicants for employment, employees of the department, and the public."
