1. A question for you or the Sheriff's department. It states 'gray' for color. Would this be a specific gray color or can it be a standard gray color? We are asking due to long lead times as a standard gray would cut down the long lead times on gel coat. Does a standard marine gray work for the department?
Standard marine gray will work.
2. Please clarify or define 'Tow Bars' on the BID proposal.
Please disregard this spec, it is not required.
