RFP 2024-01 MARINE PATROL BOAT ADDENDUM

PLEASE BE ADVISED THAT THE NEW OPENING FOR THE BIDS WILL BE MARCH 1, 2024 AT 11:00 AM.

1. What is the desired hull material? Aluminum or Fiberglass? **RHIB, fiberglass or collared, will entertain quotes for all/either.**
2. Does the desired length include the bracket/swim step? **No.**
3. What is the beam width? **10 feet.**
4. What kind of fuel capacity are you looking to have? **200 gallons.**
5. Is the “Power Assist” on #2 referring to Auto Pilot and Joystick? **This refers to "power assist steering upgrade".**

6. What kind of seating would you like inside the cabin? **2 front air ride seats w/ additional passenger seating behind.**
7. Is the "Personal Recovery" on #3 referring to a side dive door? If so what is the desired opening size? **manufacture optional.**
8. The "rear seat" on #5, are you wanting this inside the cabin? **Yes.**
9. How many dive ladders would you like and where would you like them mounted? **One on aft of boat.**
10. Do you have a brand preference for your electronics? **No.**
11. Under the electronics section, is #6 & #8 the same lighting? **No, search lights such as spot light and the other is a Law enforcement red and blue light bar.**
12. Does the department have a preferred make and model of outboard motor? **Yes, prefer Mercury.**
13. Can you provide a representative brand of shock mitigating seat given the wide array of types and brands available? **No.**
14. Specs do not indicate what material is to be used for the boat, i.e. fiberglass or aluminum. Please advise which is required. **Either fiberglass, collared or RHIB.**
15. Please advise if a performance bond is required. **The County does not require a bond.**
16. Please advise what are the payment terms for this project. Are progress payments acceptable? **Bay County will make the payment in full.**
17. Can you provide more clarity on the navigation package being sought? (e.g. preferred brand, quantity of chartplotters, etc.) **Side scan sonar, GPS, radar, one chart plotter; no preference on brands.**
18. Can you clarify what is needed for the intercom systems? **wired / wireless intercom system.**
19. Is this a Hard sided boat you're requesting or a collared or RHIB style boat? **RHIB or collared style boat, but will entertain quotes for all.**
20. Is there a preference on engine manufacturers? **Prefer Mercury.**
21. What are you referring to in regard to power assist upgrade on the propulsion engines? **Should be "power assist steering upgrade" basically upgrade on the power steering.**
22. What side of the boat would the recovery cut out be placed? **Starboard side.**
23. When referring to upgraded lines and D rings, please explain what you mean and what that refers too? **Just need D rings and lines the appropriate size.**

24. The specification calls for a tow spool with line and over. I am assuming that means cover is that correct?, also what size line are you requesting and how long? **Yes "cover" is correct. 150 FT 1/2" to 3/4".**
25. The tow post is listed as plural, do you want a aft tow post and a forward tow post? Or just a single aft tow post with cleats on the fwd deck. **Single tow post on aft with cleats on bow.**
26. What items are you requesting to be included in your Safety Kit, Docking Kit and Anchor kit? **Usual patrol boat equipment, nothing specific.**
27. What type and size of PFD's are you requesting? **Adult sizes such as X-Large and XX Large.**
28. Are you requesting multiple dive ladders or just one? **One.**
29. What is the requested number of dive bottle holders? **5 to 6.**
30. Do you have a preferred manufacturer and size of Side Scan Sonar for the boat? **Nothing specific; prefer Simrad.**
31. What items are you requesting in your navigation Package? **GPS, radar, chart plotter and compass.**
32. What FLIR model are you requesting, they have a great range in price and capabilities. **No specific model; better than average capabilities.**
33. Are you requesting one or multiple spotlights? **One.**
34. What is the definition of LAW enforcement LED Lighting? **Overhead red and blue light bar.**
35. As the typical Rooftop mounted A/C unit does not provide much in the way of heat, is a diesel heater or some other type of heat what you're looking for? **Not diesel; just air/heat for cabin area.**

****If a specific brand is listed as a preference Bay County will also review any equivalent equipment.**
