

Noon Time Learners

The **Canteen Activity Center** welcomes **Eric Jylha** as he narrates the story of the "**Life of the Shanty Boy**". Each year thousands of men and boys would head to the woods up North. This is the story of a typical logging camp and what happened when the work was done and the boys came to town.

Lunch is served before the program. Call Janie at the Center to reserve your spot.

Invitation is extended to the 60 and better population.
