

Understanding Alzheimer's & Dementia

The **Riverside Activity Center** welcomes Kristal Corrion, Community Development Director for Bayfield Assisted Living, who will give a presentation on Alzheimer's, which is the most common and well known form of Dementia. Discover the various stages of the disease & what resources are available. Learning all you can about Alzheimer's and its progression can help you understand the changes happening and help you prepare for the future. Bring your questions. Lunch will be served after the presentation.
Call Sandy to reserve your spot.

Thursday, May 23, 2019
